

Monsieur le Président de la République **Emmanuel MACRON**  
Monsieur le Premier Ministre **François BAYROU**  
Madame la Ministre du travail, de la Santé, des Solidarités et  
des Familles **Catherine VAUTRIN**  
Monsieur le Ministre chargé de la santé et de l'accès aux soins  
**Yannick NEUDER**

A Paris, le 7 février 2025

**Objet : Appel à réponse concernant la sécurité et la qualité des vaccins à  
ARNm modifiés contre le COVID-19,**

**Des niveaux excessifs d'ADN résiduel ont été identifiés dans des échantillons australiens<sup>1</sup>, confirmant des données provenant de la France<sup>2</sup>, de l'Allemagne<sup>3</sup>, du Canada<sup>4</sup> et des États-Unis<sup>5</sup>.**

**L'introduction d'ADN étranger dans les cellules via des nanoparticules lipidiques (LNP)<sup>6</sup> peut endommager l'ADN humain, entraînant une instabilité génomique, le cancer et d'autres conditions extrêmement graves.**

En tant que groupe international de politiciens et professionnels qualifiés, nous sommes gravement préoccupés par les effets des vaccins à ARNm modifiés contre le COVID-19 sur nos populations et appelons à leur suspension immédiate.

Cet appel a été adressé aux premiers ministres et aux organes gouvernementaux des pays nordiques et baltes ainsi qu'au Royaume-Uni, et aux représentants d'autres pays européens partageant nos préoccupations.

Nous souhaitons attirer votre attention sur trois questions critiques concernant le déploiement des produits à ARNm modifiés contre le COVID-19 qui ont des implications profondes pour la santé des citoyens de nos nations.

- Les vaccins contre le COVID-19 n'ont jamais été testés pour leur capacité à bloquer la transmission virale<sup>7</sup>. Ainsi, les régulateurs de produits médicaux, ainsi que les gouvernements et les organismes gouvernementaux, ont induit les gens en erreur afin de les contraindre à accepter ces produits.
- Les vaccins contre le COVID-19 ont entraîné un niveau sans précédent d'effets secondaires signalés<sup>8</sup>, y compris des décès<sup>9</sup>. Des analyses reproductibles de données publiques<sup>10,11,12,13</sup> montrent qu'il s'agissait d'une loterie quant au lot reçu par une personne et aux effets secondaires qu'elle a pu expérimenter.

- Des analyses menées par plusieurs scientifiques indépendants montrent des niveaux variables et excessifs d'ADN plasmidique résiduel dans les flacons des produits Pfizer et Moderna - cet ADN étranger est un sous-produit des processus de fabrication et n'aurait jamais dû se retrouver dans les flacons commerciaux.

Les points ci-dessus soulèvent des risques critiques mais non quantifiés pour la santé humaine qui ont été systématiquement évités par les autorités réglementaires chargées de leur supervision.

Par conséquent, au nom du public, nous demandons :

- Un arrêt immédiat de l'utilisation des vaccins à ARNm modifiés contre le COVID-19 et un rappel des produits.
- Une enquête indépendante et transparente sur leur approbation et leur utilisation.
- Des preuves scientifiques documentant qu'il n'y a absolument aucun risque de dommage à l'ADN humain.

Pour plus d'informations, vous trouverez un résumé scientifique ci-joint à propos duquel, nous demandons des réponses claires aux questions suivantes :

1. *Qu'est-ce qui est nécessaire pour mettre en place une enquête publique et judiciaire indépendante et transparente sur les processus réglementaires ayant conduit à l'approbation de ces produits ?*
2. *Y a-t-il quelque chose qui empêche le ministre d'initier et de prioriser la recherche sur les liens potentiels entre les vaccins à ARNm et le cancer, l'infertilité ou d'autres maladies aiguës, chroniques et génétiques ?*

Nous vous demandons respectueusement d'agir dans l'intérêt des citoyens de votre pays, pour lesquels vous avez été élu, en tenant compte de cette menace pour la santé humaine et celle des générations suivantes.

Au nom des membres du groupe NORTH, dont vous trouverez la liste complète des signataires ci-dessous, veuillez agréer nos salutations respectueuses.

**Dr Alexandra HENRON CAUDE**  
Généticienne, Directrice de Recherche à l'INSERM (retraîtée)

**Dr Nicole DELEPINE**  
Oncopédiatre, Ancienne chef de service d'oncologie pédiatrique à l'hôpital de Garches

**Dr François GODEAU**  
Médecin-biologiste, Directeur de Recherche émérite à l'INSERM (retraité)
